SPECIAL MEETING OF COUNCIL OVER GAS

Members of Council Think That Town is Not Getting a Square Deal From Messrs Drisdale and Carey.

HEAVILY FINED FOR SELLING LIQUOR.

The first of the long-looked-for prosecution against the parties running the disorderly house just north of the town took place on Tuesday morning when Mr. Drisdale, the police magistrate, kin come down from Edmonton and arrested Dally Burns, one of the keepers and charged her with the selling of liquor without a license under section 85 of the Liquor License Act.

Dally, spellfully upbraided before Dr. Hagey and pleaded guilty, and after a strong reprimand the magistrate fined her \$150.00 and \$15.00 costs, or four months in jail. This was somewhat of a shock for Dally but she paid up, forthwith, and started for home promising not to do it again.

A NEW OIL PAPER.

The city of Calgary is to have a new oil paper, known as the Color Oil Gazette.

The paper will be published weekly and will be under the direct supervision of the city's oil paper, the Color Oil. This will give the reader authentic information from the oil fields and it is the intention of the new publication to expose as far as possible all illegitimate companies who are out to do the public a wrong.

The new oil paper will be edited by Mr. Clark N. Kennedy, A. A. who is a real live wire and has the dangle of the oil fields down pat. This journal will fill a long felt want and the publishers should reap a good harvest in the line of advertising.

The printing of the new paper will be done in the Main Office and will eventually mean the enlarging of our plant as well as staff.

PLEASE TELL US

Whether the council is working for Drisdale or whether Drisdale is working for the council.

When the real estate sharks are going to be made clean up the land they are looking for speculative purposes.

Why the Government are building off the building of the post office here so long.

The number of men that the postal authorities are keeping out of work by delaying the building of the post office.

The names of all those who are interested in keeping Scolson and Gomorrah as a going concern.

Why Bassano should not have a High School.

Just how much Drisdale and Elliott know about the Bassano drilling outfit.

J. S. Mayor, of Bassano, member of the firm of Burns and Mayor, bankers of Calgary and Bassano, is spoken about as the posthumous Canadian candidate for next federal election. He will, if accepted, the nomination, run in the Bassano riding. The Standard is not sure, but it thinks the Conservatives would have a good man in Mr. Mayor. They could not do better than nominate him. —Western Standard.

Don't use an ordinary varnish on your floors—just remember that there is a special Sherwin-Williams Varnish for this purpose, which is tough and elastic and waterproof.

This varnish is

SHERWIN-WILLIAMS

It is made specially to be walked on—it is very tough and long wearing, and does not show heel marks readily. It is absolutely waterproof and will not turn white—it dries over night with a hard wear resisting gloss. It is the best varnish for the best floors, but does not cost so much that you cannot afford to use it on ordinary floors.

We sell and recommend S-W Mar-not, as we know of no better varnish for the purpose. It is a handy varnish to have round the house for odd jobs as well as the best varnish for finishing floors.
